Sure.

Back again!

Volume 5 is here, sooner than planned.
Big thanks to Kuroneko for translating.

I don't really have much to say this time.
Hopefully people don't starve now that
we're caught up.

Kotteri!

While his blinking tickled me,
I told him to rest his eyes a little,
so he could see plenty tomorrow.

Morning of the bad man

ガチ.

...

What in the...?

My head hurts.

Finally waking up, big baddie?

...!

Morning...

What's with the... handcuffs ...?

Seems like I fell asleep before I knew it...

Not at all...

?

Don't remember?

Party

Alcohol

Taxi

Home

...Then that dress...

...is it now? Where's my watch..?

...What time...

This is the dress...

...I had such a hard time deciding on for yesterday's party...

Take a look.

...because **you** said it was so colorful.

On your wrist? Gimme that back...

It clashes with your dress, anyway...

It's got no hands or dial.

...Then I want to get rid of this.

Isn't **your** wrist already occupied?

...what would you like me to do?

Just tell me clearly,

like you're telling me a story.

Okay.

Since you can't move about yourself...

There should be a key...

...in my coat pocket.

I want my coat.

On your right, on the couch.

Yup.

...

That's the car key...

Left breast pocket.

is *this* it?

Now, walk this way...

Here it is.

Thanks.

It's my responsibility.

...

I'll do it.

I'll take off what I put on.

Bad luck.

Really?

No cigarettes in there.

The handcuffs don't want to come off.

Worse luck.

?

Oh?

Last night...

Did I do something to make me the bad guy?

...

I'm still half-asleep though...

Figure that out for yourself.

...Ah!

Aah...!

...I'll tell you about my favorite book."

"Back home...

Last night, I clearly heard you say...
